Septic Pumper/Cleaner School 2010 February 18, 2010

COWRA'S 2010 Pumper/Cleaners class will be held at **the Wesleyan University Campus in the Public Affairs Building # 65, Room # 001**. The address is 350 High Street Middletown, CT 06457. Registration for this class will be at 6:00 PM and class will be from 6:30-9:30pm on February 18, 2010, with a snow date of February 25. The cost of the class is \$80.00, make check payable to COWRA and mail to COWRA, P O Box 116, East Hampton, CT 06424 with this form.

The cost of the class is \$80.00 including all materials. Please make check payable to COWRA.

Topics include: Septic tank design, Structure, Functions, Watersheds, Drainage Profiles, Outlet Filters, Port-o-lets and Grease Traps .

The school will cover specific sections of the CT Public Health Code 19-13-B103 General Provisions (pages 5 and 6 in the Code) and 19-13-B100a, as well as the technical Standards Section V on Septic Tanks (pages 28-32 in the Code) and Chapter 9 on Septic Tanks and Grease Traps from the Design Manual. There will be example questions of the type encountered on the State Cleaner / Pumper exam offered by the DPH.

Practical exercises will be assigned for class work and field-encountered problems will be discussed. The vast majority of the questions on the cleaner exam come from these parts of the code, technical standards and the Design Manual.

IMPORTANT: Registering for this course **DOES NOT** register you for the STATE EXAM! CONTACT THE DEPT OF PUBLIC HEALTH at 860-509-8141 to request information for the Cleaner / Pumper exam
